

Needs, Wants & Working

Why Do People Work?

Name: _____

Date: _____

Grown-ups work. Follow the pictures!

WORK

Grown-ups do jobs

EARN

They earn money

BUY

Money buys needs

First, money buys what we NEED.

**Sometimes, if there is money left,
a family may choose a want too.**

Adult: People work to earn money. Families use money first for the things they need. Not every family can buy everything — a want is a choice for when there is money left after needs.
